

## 1 Peter 2:18-20

### **Part 1 Sermon notes**

Where are we at in this study? Major division? Primary section? And sub points?

What is a servant? A master?

Why are we called to be submissive?

What if the master is mean and disrespectful?

What does God find favor in?

What does Galatians 2:20 have to do with this text?

What do we owe all humanity?

What is God's call if we are being treated unjustly?

### **Part 2 Application thoughts**

Application question to be filled out at a later time.

What kind of employee will you, were you, or are you?

How do you feel about trials?

Is it OK if God wants to use trial to help you grow?

How do you feel about authority? Why?

What have you learned from your parents about authority?

How submissive are you to authority?

How submissive are you to God?
