Where are we at in this study? Major division? Primary section? And sub points?

What purifies your soul?

What does it mean to “fervently love one another”?

What is the “living and abiding word of God”?

What is the imperishable seed?

What does it mean to be born again?

How does Colossians 3:16 and Ephesian 5:18 lead to Galatians 5:22, 23?

What is the significance of Isaiah 40:6-8?

### **Part 2 Application thoughts**

Application question to be filled out at a later time.

How does obedience bring value to your life?

What has God added to your life?

How is your life different with Jesus?

Are you going to die? How do you feel about dying?

What will they say about you after you are dead?

How have you invested in eternity?

How often do you think about these things? Do you need to do that more often?
