

1 Peter 2:11-12

Part 1 Sermon notes

Where are we at in this study? Major division? Primary section? And sub points?

What does it mean to be an “alien and a stranger”?

Where is our citizenship and why?

Are we responsible to the governing authorities?

What needs to be our primary focus, pleasing people or God?

What does it mean to abstain from fleshly lust?

Why live with excellent behavior?

What responsibility do you have to the unsaved?

Part 2 Application thoughts

Application question to be filled out at a later time.

Are you living as a stranger? Are you willing to be strange?

What type of citizen are you? As an American? Of heaven?

Are you controlled by those around you?

Someone looking at how you live your life would conclude what?

Do you care about the lost?

What are you willing to do to reach the lost?

Are you living yielded to Christ?
