

# 1 Peter 1:17-21

## Part 1 Sermon notes

Where are we at in this study? Major division? Primary section? And sub points?

How is God our Father? How is God our judge?

What does it mean to be saved? How does it happen? How do we know?

What is the pass/fail test? What is the graded test?

Where is our home?

Who or what is the Lamb of God? Why is this blood precious?

Who is foreknown before the foundation of the world?

Why can our faith be in God?

## Part 2 Application thoughts

Application question to be filled out at a later time.

How do you feel about God as judge?

What does it mean to be redeemed?

Did Jesus come to die just for you?

Is the shed blood for you precious?

How often do you think about these things? Why?

Do these thoughts shape you?

How does this subject affect how you live your life?
