

Luke 7:31-37

Part 1 Sermon notes

Where is Jesus traveling?

What was wrong with the man brought to Jesus?

How is Jesus interacting with the man? Would this be normal?

What is Jesus' objective?

What or who is the source for this healing?

Is God effective in His work?

What does God have control of?

Why is Jesus in gentile land?

Part 2 Application thoughts

Application question to be filled out at a later time.

Where is your focus, God or self?

How much do you actually trust God?

What is God's focus in your life, or what does God have His finger on?

Do you believe that God cares for you?

When God is off script, how do you feel about that?

Are the problems in your life the problem or are you the problem?

Are you willing to let God be God?
